

AMR ELSAYED

Mid-Level SEO Specialist | Next.js Developer | Technical SEO Specialist

Alexandria, Egypt +20 1020347946 amrw28940@gmail.com

PROFESSIONAL SUMMARY

WordPress Developer, Next.js Developer, and Technical SEO Specialist with 11+ years of experience delivering more than 100 websites across multiple industries including real estate, healthcare, agriculture, e-commerce, and corporate services. Expert in WordPress, Elementor, Next.js, React, Technical SEO, Core Web Vitals, Google Search Console, and performance optimization.

PROFESSIONAL EXPERIENCE

Web Designer / Developer

Jan 2026 – Present

Unique Web Services (Uniquee)

- Develop, maintain, and optimize responsive websites and landing pages using WordPress and Next.js, ensuring cross-browser compatibility and seamless UX.
- Implement advanced Technical SEO strategies to enhance search engine visibility, resulting in measurable ranking improvements for client websites.
- Monitor website performance using Google Search Console and PageSpeed Insights, diagnosing and resolving speed bottlenecks and Core Web Vitals issues.

Freelance Web Developer & SEO Specialist

2015 – Dec 2025

Self-Employed (Collaborated with Rabeh Marketing Co.)

- Successfully developed, designed, and launched hundreds of websites across diverse sectors including Real Estate, Agricultural, Services, E-commerce, and News portals.
- Formulated comprehensive keyword strategies, built high-quality backlink profiles, and managed on-page content structures to secure top Google search rankings.
- Conducted intensive competitor analysis and security audits, configuring firewalls, fixing broken links, and maintaining database integrity for clients.
- Managed end-to-end website deployment including server hosting configuration, domain migration, and Cloudflare integration for enhanced security and CDN performance.
- Designed custom web layouts, logos, and visual assets utilizing Photoshop, Illustrator, and Canva to align with clients' brand identities.
